15th Annual Friends Basket Auction

Donations are now being accepted for the Friends of the Library 15th Annual Basket Auction.

Baskets with items, single items, gift certificates, and monetary donations are all welcome. All items can be brought in during library hours. To maintain a high quality auction, we ask that donations be new items only. Please contact the library if you have questions.

The basket auction is the main source of funding for the Friends Group, which has supplied the library with books, furniture, computers, Summer Reading Club funding and so much more. We really appreciate all who help support this important fundraiser for the library!
